The Voice of Today's Enlisted

NON COMMISSIONED OFFICERS ASSOCIATION

## Our Story

*The Non Commissioned Officers Association, more commonly known as NCOA, welcomes you to our presence on the Internet. NCOA is currently a leader in Veterans and Spouse Employment, a strong voice on Capitol Hill and with the Veterans Administration, and our members around the world are making a difference in their local communities. I encourage you to browse our website and see the great benefits and advantages there are to being an NCOA member and always remember – there is “Strength in Unity!”*

## Our Mission

*The NCOA was established in 1960 to enhance and maintain the quality of life for noncommissioned and petty officers in all branches of the Armed Forces, Active Duty, National Guard, Reserves, Veterans (separated and retired), widows, and their families. As a Vanguard organization, the NCOA offers its members a wide range of benefits and services designed especially for enlisted service members and their families.*

## Our Creed

*It is with the conception and full understanding that many things of great need and importance can be accomplished in unity and cooperation. Thus do the members of the Non Commissioned Officers Association of the United States of America agree to join their efforts and strength to work together for the well-being of the individual, the group, and for the greatest benefit of our beloved nation.*
